# Work Packages

- WP1 – Project management
- WP2 - Communication and dissemination
- WP3 - Building community among partners – development of a skill ecosystem
- WP4 - Improve the education landscape – reshaping of curricula
- WP5 - Improving the professional life inside the Colleges for Advanced Studies with specific programs

# Project model

ProSkill project model including T-shaped skills and competencies

# Lessons learnt

- 1: Flexibility is of vital importance (Covid 19, inflation)
- 2: Regular meetings are inevitable
- 3: Risk-management requires communication and cooperation
- 4: Team-work must be effective.
- 5: Conflicts are necessary and push forward – if you can ease the situation in time.
- 6: Deadlines are to be kept.
- 7: Diligent work always have its good results.
